The T Hotel ranks second, Top 10 hotels for Romance in China from TripAdvisor's Travelers' Choice 2017

(February 3, 2017 – Hong Kong) The T Hotel, a training hotel operated by students of the Hotel and Tourism Institute (HTI), a VTC member institution, ranks second among Top 10 hotels for Romance in China by the popular TripAdvisor's Travelers' Choice 2017. The T Hotel is the **ONLY** hotel in Hong Kong being awarded in the category.

“Guests found the hotel particularly romantic, not only because our hotel overlooks the dramatic western shoreline of the Hong Kong Island, beyond which lie the East Lamma Channel and islands in western Hong Kong, but one can also indulge in the most stunning sunset scene ever.” said Mr Alan IP, Deputy Manager (Hotel Operations & Training) of The T Hotel located in the tranquil Southern District of the Hong Kong Island with the Béthanie Chapel, a Grade II historic building, in the neighborhood. “Our guests will naturally associate such a setting with romance or even marriage,” he added.

“Our students also play a role in making the training hotel memorable for couples.” Alan further explained, “To allow our guests to have a pleasant stay at the T Hotel and enjoy their special occasion, our students will arrange special amenities such as heart shape towels, rose petals, chocolates in the rooms for couples who are checking in to celebrate their anniversary.”

With the intimate services provided by our students, The T Hotel is also awarded one of the Top 25 hotels in China in the 2017 award list. The T Hotel is consistently being ranked top 10 overall among the seven hundred and more hotels in Hong Kong. The remarkable comments and ratings by global travelers have distinguished The T Hotel as one of the exclusive hotels to receive TripAdvisor's Certificate of Excellence and Travelers' Choice for 5 consecutive years since 2012.

The T Hotel is the training venue for students of the HTI to acquire authentic work experience. Services ranging from room reservations, check-in/check-out, bell and concierge, in-room dining, housekeeping to spa therapy are all handled by students under the supervision of experienced instructors. Through serving travelers from around the world, students can sharpen their language and communications skills, gain confidence and acquaint themselves with the needs of the customers from different backgrounds and cultures.
